## Cindy Luberto Scholarship for Women Identifying/Non Binary Athletes

### 2019

Roller derby is a unique sport with hundreds of thousands of passionate followers around the world. Since its modern resurgence in the 21st century, roller derby is now the fastest growing women's sport in the world.

Athletes come from many backgrounds, and enjoy a variety of sports, but often only those excelling in more traditional sports receive recognition with athletic awards and scholarships. The members of Connecticut Roller Derby, Inc. (CTRD), believe that sports (traditional or non-) can be an important part of a well-rounded life, and value the diversity of experience that each of its members contribute to the roller derby and sporting community. In that spirit, CTRD has created this scholarship opportunity to recognize women identifying/non binary athletes in Connecticut who have a passion for their sport, whatever it may be.

Founded in 2006 as CT RollerGirls, CTRD is Connecticut's premier roller derby league and a proud member of the Women's Flat Track Derby Association (WFTDA).

#### **CTRD's Mission:**

- To operate as a financially sustainable non-profit all-woman flat track roller derby league that fosters community, sportswomanship, and athleticism.
- To represent the State of Connecticut in the Women's Flat Track Derby Association (WFTDA) in local, regional, national, and worldwide competition.
- To have a group of strong, healthy, and diverse athletes that can be role models to girls of all ages.
- To instill a sense of family, loyalty, hard work, and competitiveness in all of our skaters.

#### **Prizes:**

First Place: \$500 non-renewable scholarship, paid directly to the educational institution upon verification of enrollment in the fall semester, for use toward tuition, fees, and education-related expenses.

Runner Up: \$250 non-renewable scholarship, paid directly to the educational institution upon verification of enrollment in the fall semester, for use toward tuition, fees, and education-related expenses.

All submissions will be reviewed by members of the CTRD and winners will be determined by a league vote. Applicants and recommenders may be contacted for verification or clarification of information by email or brief telephone interview.
